DID YOU KNOW...

For
**VOLUNTEER
FIRE FIGHTERS
ONLINE**
is the primary
information source.

Professional
fire fighters use
print and online
equally.

FACEBOOK
is the first choice
for the entire
TARGET GROUP.
This is proven by reach,
engagement and
other metrics.

63%
of full-time fire fighters
(professional and factory
fire brigades) play at least
an important role in the
decision-making regarding
equipment and vehicle
purchases.*

47%
of fire fighters
finance their personal
protective equipment
(PPE) privately. And pay
an amount of up
to 100€ per year.**

PROFILE FEUERWEHR-MAGAZIN

Fresh ideas for your success: How we inspire for your brand

www.feuerwehrmagazin.de is the most popular news portal of the branch! The online news portal gained immense popularity among professional and volunteer fire fighters, and therefore it is perfectly suited for targeting specific consumer groups. Because of the clear structure of our page and easy to understand rubrics our readers can comfortably explore the spectrum of topics and benefit from valuable specialist knowledge. Our editors have insider knowledge on the hottest topics of the branch. That is because on one hand they are volun-

teer fire fighters themselves, on the other hand they use the most modern research tools like Searchmetrics or Google Analytics for precise topic analyses. This pays off in the raising number of clicks on our page. With a reach of 386.589 visits per month, www.feuerwehrmagazin.de is the perfect place for the medial staging of your brand, products and sales. The portal provides classic display advertisements (banners), native advertising (text ads), social media, newsletter advertising and many special advertisement forms.

New Ebner strategy

Dossier TRANSFORMATION OF A SPECIALIST PUBLISHING HOUSE

Learn everything about the new Ebner strategy. The Kress-report provides information on how our parent publishing house – the **EBNER MEDIA GROUP** – faces the challenge of transforming a specialist publishing house. Here you can get to the **free download**:

Fairs and congresses

For your media planning, we have compiled important industry-relevant trade fair and congress dates in 2023* (click on the name to go directly to the trade fair page!).

- January 21-29: [Boot](#) (Boat) in Düsseldorf
- May 10-12: [RETTmobil international](#) in Fulda
- June 14-17: [112 Rescue](#) in Dortmund
- June 21-22: [Feuertrutz](#) in Nürnberg
- September 5-10: [IAA Mobility](#) in München
- October 12-14: [Florian](#) in Dresden
- November 28-30: [PMR Expo](#) in Köln

*status as of August 2022, All statements without guarantee.

OUR TARGET AUDIENCE/PERSONA

The here portrait "persona" are not in reality existing people but stereotypical representatives of our most important reader/user groups. They help our editors to always consider the readers' needs, wishes and goals during their research, writing and planning.

We prepare all of our content in a way that suits the respective audience, and we publish it on the ideal channel to reach the particular "persona". This is relevant for our advertising partners too because **our readers are your costumers!**

»I find reportages about vehicles and equipment as well as operation reports exciting.«

David Do-it*

- firefighter since 20 years
- vehicle care, handover and defect detection
- has a say in purchase
- responsible for training schedules

Also gets information from manufacturer courses, internet, Facebook

Especially interested in vehicles and equipment, new technology

»I already prepare myself intensively for my first real operation with the volunteer fire brigade.«

Julia Youthful*

- at the fire station every week
- lots of training, sometimes allowed to come real operations
- goal: joining the volunteer fire brigade
- sometimes buys own equipment

Also gets information from internal seminars, social media channels

Especially interested in reportages, videos

»I privately bought a second set of almost all my protective clothing and equipment. This way I am always ready.«

Ben Burner*

- owns non-corporate protective clothing and equipment
- tries to participate in as many operations as possible
- has several duties/tasks/jobs in his fire station

Also gets information from further training and seminars, newsletter, fairs, Facebook

Especially interested in training, equipment, product tests and comparisons, operation reports

»I want to learn from other firefighters mistakes in order to find my own solution approaches.«

Leo Leader*

- lots of management, not a technician
- only at major operations
- administrative duties
- responsible for purchase of new equipment and vehicles

Also gets information from seminars, further training, magazines, manufacturer websites

Especially interested in critical specialist reports on equipment and vehicles, tests, organizing, specialized fairs

*in german language: Marko Macher/Julia Jugendfeuerwehr/Ben Brenner/Leo Leader

OUR 360° STRATEGY

We inform on all channels!

Media consumption today takes place on many different (digital) channels besides print. In addition to the company homepages and their visibility on Google, the social networks Facebook, Instagram and YouTube are the most important communication channels for the fire fighting industry. Each of these communication channels requires a different form of content preparation, e.g. text (short & long format), image, video (short & long format). It is our daily work to successfully implement this knowledge. As a media partner of the Feuerwehr-Magazin you benefit from our know-how.

With us you are going to reach your target audience on all channels – everywhere and every time!

NATIVE ADVERTISING PORTFOLIO

Today, anyone who wants to catch the customer's attention needs a mix of editorial content and advertising or brand messages, in a nutshell: Native Advertising!

How does Native Advertising work?

Native Advertising is storytelling. Your advertising or brand message is published in our platforms' editorial environment by means of an editorial plot (story). Or your company (offer) is an integrated element of an editorial topic, without directly engaging in direct product advertising. Native Advertising sustainably supports you in building and extending your company's and your products' leading position in your relevant target groups.

What does Native Advertising achieve at Feuerwehr-Magazin [Firefighting Magazine]?

- Your content receives high attention and involvement from our community due to the high credibility and reach of our media brand(s)
- Publication of your content within the look & feel of our editorial environment. We are happy to handle the content creation for you
- Leads to longer time spent on the site and higher involvement with your brand as well as your message and creates long-term effects
- The only way to reach your target group across all relevant communication channels (print, online, social media) and avoiding ad blockers in the process

Our process for a successful ↓ Native Advertising campaign ↓

- Helps to reach your company's and products' whole target group by creating a larger audience for your topic
- Allows for customised communication to the target group, which is relevant for you, due to clear persona definition and positioning of Feuerwehr-Magazin [Firefighting Magazine]?
- Supports your company in establishing itself as an opinion leader for your target group on the relevant topics
 - Improves the visibility of your brand in search engines and social media channels using SEO optimised multimedia storytelling (editorial, images, graphics, video)

Content is king and we are the topic champions

We are the content specialists for our target group and know exactly which topics our community is interested in. Simply leave the storytelling of your message to us. We will make sure that your topics reach our community effectively.

We will take over the campaign conception, the content creation, the multichannel publishing, the campaign management and the reporting. A one-stop full service – from your target group's content specialists.

CONTENT MARKETING

Native advertising example

Pictures, videos, texts and the reach into the fire fighting industry as well as the publication in the editorial content stream. The experienced editors of the Feuerwehr-Magazin with excellent knowledge of the industry create detailed product presentations as well as technically correct press releases. **Marketing on all our channels.**

WEBINARS

Since a couple of years the Feuerwehr-Magazin is regularly organising webinars with relevant topics of the fire fighting industry. These webinars distinguish themselves with extremely valuable learning content and are getting more and more popular.

You have the possibility to host a webinar together with us. You present valuable content for the fire fighting industry and yourself as the topic champion for your issues.

Don't hesitate to contact us and let us know more about your webinar topic!

Benefit now from our offer:

- We create the desired webinar for you and take over the entire registration process of the webinar participants.
- We advertise the webinar intensively on our channels and give your webinar the attention it deserves.
- For the welcome and during the webinar we support you in technical questions as well as in the communication with the participants.
- A few days before the webinar, you will get an instruction for the technical system. This one is really easy to handle and we will carry out a test together.

***We offer you
to hold your
own Webinar
with our help.***

Basic Informations about the webinar:

- up to 1000 participants possible
- participation fee: 10 €
- duration: around 60 minutes including Q&A
